

While you are not in school, can you keep a diary telling us what you do each day?

Remember

- the date each day
- capital letters — to start each sentence, for I and for any names you write
- Finger spaces
- Full stops to end each sentence

Challenges

Can you use and to join two sentences together ?

Can you use any adjectives to describe?

Can you use any words to help order your sentences — first, then, next, after that, finally.

*E.g. Then I ate some **delicious** tomatoes with my lunch **and** drank some **fizzy** lemonade.*
