

Charles' group Home Learning week beginning 27/4/2020

Please see below the tasks we would like your child to work on this week. Please do what you can but do not worry if you cannot complete all the work. Just do the amount of work that is right for your individual child and do not worry if it does not all get completed. We understand that each and every one of you is facing different circumstances and challenges.

If you have any problems, please remember that you can email me at ccarter@wtwschool.co.uk during school hours. I will also be calling once a week so please feel free to use that call to ask for any help with any of the tasks, or to share what you have been doing.

Please note that any links to internet sites and YouTube videos need to be supervised by an adult, and they may contain adverts. You do not need to pay for any of the sites we are suggesting.

If you need any additional pencils, paper or other stationery, please contact the school and we can arrange that for you to collect.

Maths	
Information for Parents: Please start Mymaths. The x3 and x4 tasks from last week are still there plus new tasks about 2d and 3d shapes. Please contact the school for Mymaths login details if you have mislaid them. They should go through the lessons before the activity and they will be far more successful if they have some help reading and understanding the questions.

This week look and listen to: The Huge and horrible beast on Oxford Owl free ebooks.

A story from brazil. Does it remind you of any other stories that you know?

Alternatively, you can read a free copy of the children's newspaper, First News, found at:

Writing

Information for Parents

This week pupils should aim to write a description of an invented character using 2 or more words from a given word bank. Then add another character that is different. They need to draw a cartoon story of what happens when the 2 characters meet. (If pupils would rather continue with their learning on animals, they can do that instead).

Task 1	Write a character description using at least 2 of the describing words
Task 2	Write a character description for another character who is different to the first one.
Task 3	Start a drawing cartoon using your 2 characters. Think about where it would be set.

Science

Find out about volcanoes at

<https://www.bbc.co.uk/bitesize/topics/z849q6f/articles/zd9cxyc>

Can you discover and explain the differences between active volcanoes, extinct volcanoes and dormant volcanoes?

Creative Activities and PE

If you would like to, why not try one or more of the following activities:

Drama	London Bubble Theatre Company have produced some fun drama games and activities that can be done in the home. Walnut Tree Walk children love to use their imagination so this could be a great resource. Either google 'London bubble speech bubble' or go to the following link: https://www.londonbubble.org.uk/wp-content/uploads/2018/12/Drama-games-pack.pdf
Art	Draw and illustrate you character cartoon strip Check out the storyboard version of the dentist scene in Finding nemo on Youtube https://www.youtube.com/watch?v=3sAWDQjCOeU CoolIt Art have some great free resources, activity ideas and lessons available here: https://www.coolitart.com/teaching-packs/ Why don't you give one of them a try and send me a picture?

Theatre	<p>The school have signed up for free access to the National Theatre Collection. Children and their families can view these National Theatre productions online. We are still waiting for them to send us the username and password, and will send it out when we have it.</p> <p>Not all the productions will be suitable for primary age children so please ensure that you check the suitability before your child watches anything.</p>
Music	<p>Why not try and make some instruments using items that you would normally put in the recycling. You can watch this video for inspiration:</p> <p>https://www.youtube.com/watch?v=ck8HlhHPLfQ</p> <p>If you have borrowed an instrument from the school library, you should have received some music sheets to help you learn at home. If you need more, please contact Chris cbrown@wtwschool.co.uk</p> <p>You could have a go at composing your own music. Go to the following link: https://www.classicsforkids.com/games/compose_your_own_music.php</p> <p>There are lots of great activities on the BBC Bring the Noise website for children of all ages: https://www.bbc.co.uk/teach/bring-the-noise</p>
Dance	<p>Emanuela will be doing a weekly dance lesson for the children at Walnut Tree Walk. This video lesson can be accessed at any time. The link will be sent out when it is ready each week. You should have received last week's class already and the next class will be sent out during the week.</p>
Yoga	<p>We will continue to provide an online yoga lesson from Kamlyn each week. This is a session exclusively for children at Walnut Tree Walk and is free for you. This lesson can be accessed at any time. The link will be sent out when it is ready each week. You should have received the link to the first class already.</p>
PE	<p>Joe Wicks is providing free PE lessons live at 9am each day via his YouTube channel. This is a great way to start the day and is suitable for all ages. Either google 'Joe Wicks PE lesson' or go to the link below:</p> <p>https://www.thebodycoach.com/blog/pe-with-joe-1254.html</p>
