

Year 6 Home Learning week beginning 20/04/2020

Please see below the tasks we would like your child to work on this week. Please do what you can but do not worry if you cannot complete all the work. Just do the amount of work that is right for your individual child and do not worry if it does not all get completed. We understand that each and every one of you is facing different circumstances and challenges.

If you have any problems, please remember that you can email me at scodling@wtwschool.co.uk during school hours. I will also be calling once a week so please feel free to use that call to ask for any help with any of the tasks, or to share what you have been doing.

Please note that any links to internet sites and YouTube videos need to be supervised by an adult, and they may contain adverts. You do not need to pay for any of the sites we are suggesting.

If you need any additional pencils, paper or other stationery, please contact the school and we can arrange that for you to collect.

Maths

Information for Parents:

I understand that a lot of this will be revision for children, but I have selected topics that I think the children could use a little more work on.

So, this week we will be focusing on geometry. Below is some information for you as parents if you would like to know more before the children complete the My Maths work.

More specifically:

- Parts of a circle
<https://www.theschoolrun.com/what-are-the-parts-of-a-circle/>
- Nets of 3D shapes
<https://www.theschoolrun.com/what-are-nets-of-shapes/>
- Plans and elevations
<https://www.bbc.co.uk/bitesize/guides/zj76fg8/revision/6/>
- Angle sums
<https://www.theschoolrun.com/what-are-degrees/>
- Drawing triangles

Mymaths.co.uk tasks

This is a suggested break down of a lesson per day but it is up to you when they are completed in the week.

Monday	<p>Today the focus will be on parts of a circle</p> <p>Children are to complete section geometry/properties of shape/y6/parts of a circle</p> <p>Your child may find it helpful to watch the following video on BBC Bitesize https://www.bbc.co.uk/bitesize/topics/zvmxsbk/articles/z8c7qty/</p>
Tuesday	<p>Today the focus will be on nets of 3D shapes</p> <p>Children are to complete section geometry/properties of shape/y6/nets of 3D shapes</p> <p>Your child may find it helpful to watch the following video on BBC Bitesize https://www.bbc.co.uk/bitesize/topics/zt7xk2p/articles/z247tv4/</p>
Wednesday	<p>Today the focus will be on plans and elevations</p> <p>Children are to complete section geometry/properties of shape/y6/plans elevations</p>
Thursday	<p>Today the focus will be on angle sums</p> <p>Children are to complete section geometry/properties of shape/y6/angle sums</p> <p>Your child may find it helpful to watch the following video on BBC Bitesize https://www.bbc.co.uk/bitesize/topics/zb6tyrd/</p>
Friday	<p>Today the focus will be on drawing triangles</p> <p>Children are to complete section geometry/properties of shape/y6/constructing triangles</p> <p>Your child may find it helpful to watch the following video on BBC Bitesize https://www.bbc.co.uk/bitesize/topics/zwckjxs/articles/zqg73k7/</p>

Extra Optional Work:

If you would like to do some optional additional work linked to this, please try the following IXL tasks:

Y.1, Y.2, Y.3, Y.4, Y.5, Y.6, Y.7, Y.8

Reading

Please read daily a book of your choice for at least 30 minutes.

Alternatively, you can read a free copy of the children's newspaper, First News, found at:

https://schools.firstnews.co.uk/wp-content/uploads/sites/3/2020/03/Lores_718-1.pdf

Writing

The writing tasks will be based on this video on Literacy Shed website:

<https://www.literacyshed.com/catch-a-lot.html/>

Task 1	Watch the first two minutes of the video. Notice the changes in music and action represent the personalities of the different characters. Using these audio and visual clues, write a character description for the man and the boy.
Task 2	Write a persuasive letter from the boy to the man explaining why he no longer wants to be a whaler and wants to get a different job. To help you, think about what could be the cons of doing a job like that? Also, what job do you think he'd rather do instead?
Task 3	Stop the video at 2:43 and write alternative ending for the story. Use these questions to help you: <ul style="list-style-type: none">• What happened to the boat?• Who survived the storm and how?• How did the survivors get back to land?• Did the incident change anything for the characters?

Grammar

Learn:

This week we will be focusing on adjectives and adverbs

Adjectives

<https://www.theschoolrun.com/what-is-an-adjective/>

Adverbs

<https://www.theschoolrun.com/what-is-an-adverb/>

Remember that adjectives describe a noun

e.g. *The desk was hard.*

And an adverb describes a verb

e.g. *The boy worked hard.*

Watch:

Please go to the following sites/ links to see a further explanation:

<https://www.bbc.co.uk/bitesize/topics/zwwp8mn/articles/zgsgxfr/>

<https://www.bbc.co.uk/bitesize/topics/zwwp8mn/articles/z3nfw6f/>

Do:

E.5 and E.6 on IXL Year 6 English

Science

Have a look at the resources on the link about animal classification.

<https://www.bbc.co.uk/bitesize/topics/zn22pv4/articles/z3nbcwx/>

And then have a go at this...

How would you describe the features of these groups of animals?

Create a poster or presentation to describe what each of these groups of animals are like:

mammal	bird	fish	insect
amphibian	reptile	crustacean	mollusc

You must include:

- A labelled picture of an animal from each group to show the features that make each group identifiable
- A written description of each group
- Examples of different animals within each group

Are the animals vertebrates or invertebrates? Are they warm-blooded or cold-blooded? How many legs do they have? Do they have wings? Do they have an exo-skeleton?

Creative Activities and PE

If you would like to, why not try one or more of the following activities:

Drama	<p>London Bubble Theatre Company have produced some fun drama games and activities that can be done in the home. Walnut Tree Walk children love to use their imagination so this could be a great resource. Either google 'London bubble speech bubble' or go to the following link:</p> <p>https://www.londonbubble.org.uk/wp-content/uploads/2018/12/Drama-games-pack.pdf</p>
Art	<p>Watch this video tutorial on how to draw. Have a practice with some of these techniques in the video.</p> <p>https://www.youtube.com/watch?v=OezMavBqWXc/</p> <p>When you feel more confident, try drawing a 3D shape in your home (a box, a tin, toilet roll (if you have any) and add shading to make it look more 3D.</p>
Theatre	<p>The school have signed up for free access to the National Theatre Collection. Children and their families can view these National Theatre productions online. We are waiting for them to send us the username and password, and will send it out when we have it.</p> <p>Not all the productions will be suitable for primary age children so please ensure that you check the suitability before your child watches anything.</p>
Music	<p>Why not try and make some instruments using items that you would normally put in the recycling. You can watch this video for inspiration:</p> <p>https://www.youtube.com/watch?v=ck8HlhHPLfQ</p> <p>If you have borrowed an instrument from the school library, you should have received some music sheets to help you learn at home. If you need more, please contact Chris cbrown@wtwschool.co.uk</p> <p>You could have a go at composing your own music. Go to the following link:</p> <p>https://www.classicsforkids.com/games/compose_your_own_music.php</p> <p>There are lots of great activities on the BBC Bring the Noise website for children of all ages:</p> <p>https://www.bbc.co.uk/teach/bring-the-noise</p>

Dance	Emanuela will be doing a weekly dance lesson for the children at Walnut Tree Walk. This video lesson can be accessed at any time. The link will be sent out when it is ready each week.
Yoga	We will continue to provide an online yoga lesson from Kamlyn each week. This is a session exclusively for children at Walnut Tree Walk and is free for you. This lesson can be accessed at any time. The link will be sent out when it is ready each week.
PE	<p>Joe Wicks is providing free PE lessons live at 9am each day via his YouTube channel. This is a great way to start the day and is suitable for all ages. Either google 'Joe Wicks PE lesson' or go to the link below:</p> <p>https://www.thebodycoach.com/blog/pe-with-joe-1254.html</p>
