

Year 2 Home Learning week beginning 20/4/20

Please see below the tasks we would like your child to work on this week. Please do what you can but do not worry if you cannot complete all the work. Just do the amount of work that is right for your individual child and do not worry if it does not all get completed. We understand that each and every one of you is facing different circumstances and challenges.

If you have any problems, please remember that you can email me at dallen@wtwschool.co.uk during school hours. I will also be calling once a week so please feel free to use that call to ask for any help with any of the tasks, or to share what you have been doing.

Please note that any links to internet sites and YouTube videos need to be supervised by an adult, and they may contain adverts. You do not need to pay for any of the sites we are suggesting.

If you need any additional pencils, paper or other stationery, please contact the school and we can arrange that for you to collect.

Maths

Information for Parents:

This week we will be focusing on telling the time (mainly using an analogue clock and moving on to introducing digital clocks).

Every clock has a minute hand (a taller hand - Mr Minute) and an hour hand (shorter hand - Mrs Hour). Counting around the clock in 5s can help us to find that there are 60 minutes in 1 hour.

Here is a link to a large teaching clock if this might be helpful:

<https://www.topmarks.co.uk/time/teaching-clock>

This is quite a detailed video which could be broken up into chunks to show the children if helpful:

<https://www.youtube.com/watch?v=r2K1Py9U87I>

Mymaths.co.uk tasks

This is a suggested break down of a lesson per day but it is up to you when they are completed in the week.

Monday

Today the focus will be on telling the time on an analogue clock for o'clock and half past times

	<p>Children are to complete section Y1 Starting to tell time Go to: National Curriculum > Measurement > Y1 Starting to tell time</p> <p>Once the lesson is complete, children can log on (using their own log in details) and complete the homework.</p> <p>Your child may find it helpful to watch the following video on BBC Bitesize https://www.bbc.co.uk/bitesize/topics/zhk82hv/articles/zcmdwxs</p>
Tuesday	<p>Today the focus will be on telling the time on an analogue clock for quarter to and quarter past times</p> <p>Children are to complete section Y2 Telling the time quarter to/ past Go to: National Curriculum > Measurement > Y2 Telling the time quarter to/ quarter past</p> <p>Once the lesson is complete, children can log on (using their own log in details) and complete the homework.</p>
Wednesday	<p>Today the focus will be on telling the time on an analogue clock for 5 minute intervals</p> <p>Children are to complete section Y2 Telling the time - to 5 minutes Go to: National Curriculum > Measurement > Y2 Telling the time - to 5 minutes</p> <p>Once the lesson is complete, children can log on (using their own log in details) and complete the homework.</p>
Thursday	<p>Today the focus will be comparing units of time including, seconds, minutes, hours, days and months</p> <p>Children are to complete section Y2 Comparing time Go to: National Curriculum > Measurement > Y2 Comparing time</p> <p>Once the lesson is complete, children can log on (using their own log in details) and complete the homework.</p>
Friday	<p>Today the focus will be on telling the time on an analogue and digital clock (if children are ready). If children are finding analogue clock times tricky, I would not introduce digital clocks yet. Instead follow the link in the extra optional work below to practise:</p>

	<p>If they are ready, children are to complete section Y2 Telling time 1</p> <p>Go to: National Curriculum > Measurement > Y2 Telling time 1</p> <p>Once the lesson is complete, children can log on (using their own log in details) and complete the homework.</p>
<p>Extra Optional Work:</p> <p>If your child needs to practise telling the time on an analogue clock, they can play:</p> <p>https://www.doorwayonline.org.uk/timeandmoney/abouttime/</p> <p>You can choose the settings on What time is it? So that they can practise hour intervals, 15 minute intervals or 5 minute intervals depending on how they are getting on.</p> <p>If you would like to do some optional additional work linked to this, please try the following IXL tasks:</p> <p>W.5 W.6 W.11</p> <p>Challenge: W.14 W.15 W.16</p>	

Reading
<p>Please read daily a book of your choice for at least 30 minutes.</p> <p>Alternatively, you can read a free copy of the children's newspaper, First News, found at:</p> <p>https://schools.firstnews.co.uk/wp-content/uploads/sites/3/2020/03/Lores_718-1.pdf</p> <p>The following websites have some free ebooks. The Oxford Owl site is good as it will be similar books to the ones that the children read in school. It is free to use but you need to sign up to get login details.</p> <p>https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/ http://www.storylineonline.net http://www.magickeys.com/books</p>

Writing

Linked to our new topic Mini beasts, our text this week is a rhyming book called *Mad about Mini beasts*.

Here is the Youtube link to the story:

<https://www.youtube.com/watch?v=SW-7MgHEZOE>

This week we will look at poetry and rhyme.

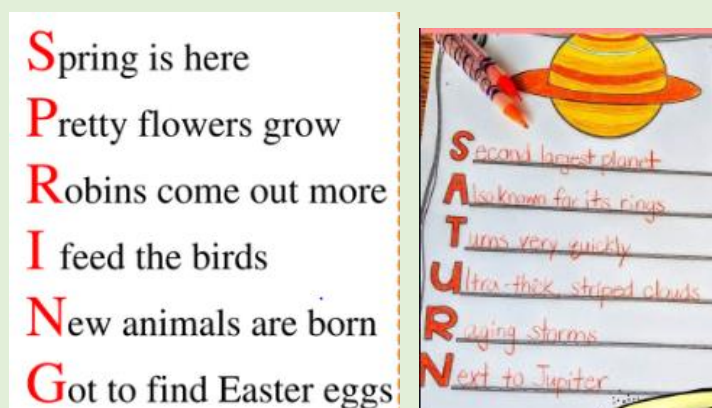

Remember any of your poems can be performed or can be illustrated!

Task 1

Choose a mini beast to create an acrostic poem about.

Write each letter of the mini beast on a new line and then use each letter to write a sentence or word linked to the mini beast.

Have a look at these example acrostic poems.

Spiders

Prey

Inside and out

Dark

Eight legs

Red eyes

Spiders wriggle and crawl

Poisoning their prey

Inside the sticky web

Dark corners to hide in

Eight legs to scuttle across the ground

Red eyes to scare their enemy

Task 2

Try using alliteration to write about different mini beasts in a poem.

Alliteration is a group of words, one after the other which begin with the same sound.

Six **s**piders **s**pin **s**ilently.

Wiggly **w**orms **w**riggling and **w**orking.

Beautiful **b**utterflies **b**lowing **b**rightly.

Task 3

Write a verse about mini beasts which rhymes.

Remember rhyming words are words which have a similar sounding ending.

Mat, pat, cat, fat, sat

Can you complete this rhyming poem:

Looking round the garden, what can I **see**?

Looking round the garden, what can I **hear**?

Looking round the garden, what can I **spot**?

E.g.

Looking round the garden, what can I **see**

A green grass hopper jumping by the **tree**.

Looking round the garden, what can I **hear**

A buzzing little bee flying **near**.

It might help to write a list of rhyming words to match the ending word of each line before you begin.

Or you can challenge yourself and write your own rhyming couplets to create a mini beast poem!

E.g. There was tiny spider that was small and **black**

He had little hairs all over his **back**.

Grammar

Learn:

This week we will be focusing on rhyming.

Words that rhyme have the same sound E.g. cook, book, look

Pen, hen, men

Watch:

Please go to the following site/ link to see a further explanation:

<https://www.bbc.co.uk/teach/supermovers/ks1-english-rhyme-with-radzi/zvbm47h>

Do: B.2

B.3

Phonics

Recap the oy sound:

oy	oi
enjoy	join
boy	joint
toy	coin
joy	coil
joyful	boil
enjoyment	spoil
	moist
	avoid

Can you read each word?

Can you add any words to either list?

The new spelling rule is adding the suffixes -ment, -ness, -ful

Can you practise each of these words?

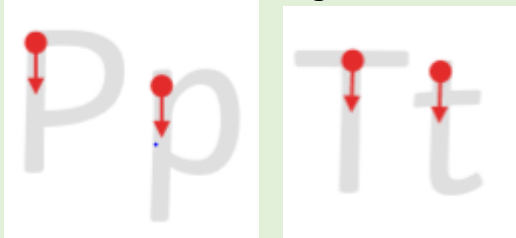

enjoyment, argument,

happiness, sadness,

cheerful, joyful, careful, playful,

Handwriting

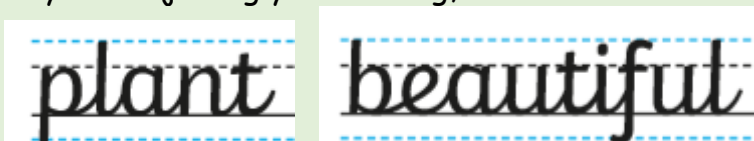

Let's practise forming each of these letters correctly and starting in the right place:

Remember to check the tall and short letters as you write them and leave clear finger spaces between each word.

If you are joining your writing, it should look like this:

Science

Our new science topic is plants.

Have a go at these activities linked to plants where you can learn about what plants need to grow, parts of the plant and the life cycle of a plant.

<http://flash.topmarks.co.uk/2264>

Here are some extra videos and links to explore plants further:

<https://www.bbc.co.uk/teach/class-clips-video/science-ks1-ks2-ivys-plant-shop/zh2hkmn>

<https://www.science-sparks.com/plant-science-for-key-stage-1/>

Creative Activities and PE

If you would like to, why not try one or more of the following activities:

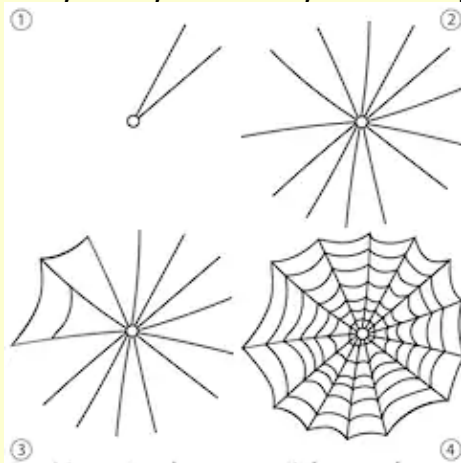

Drama

London Bubble Theatre Company have produced some fun drama games and activities that can be done in the home. Walnut Tree Walk children love to use their imagination so this could be a great resource. Either google 'London bubble speech bubble' or go to the following link:

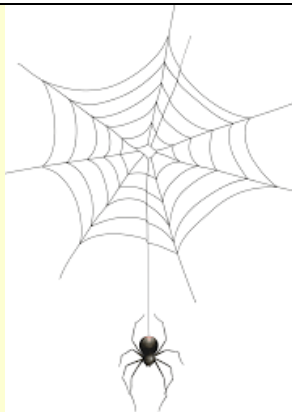

<https://www.londonbubble.org.uk/wp-content/uploads/2018/12/Drama-games-pack.pdf>

Art

Can you try to draw your own spider's web?

You can explore drawing spiders on the web or dangling from the web to see which you prefer.

Theatre	<p>The school have signed up for free access to the National Theatre Collection. Children and their families can view these National Theatre productions online. We are waiting for them to send us the username and password, and will send it out when we have it.</p> <p>Not all the productions will be suitable for primary age children so please ensure that you check the suitability before your child watches anything.</p>
Music	<p>Why not try and make some instruments using items that you would normally put in the recycling. You can watch this video for inspiration:</p> <p>https://www.youtube.com/watch?v=ck8HlhHPLfQ</p> <p>If you have borrowed an instrument from the school library, you should have received some music sheets to help you learn at home. If you need more, please contact Chris cbrown@wtwschool.co.uk</p> <p>You could have a go at composing your own music. Go to the following link:</p> <p>https://www.classicsforkids.com/games/compose_your_own_music.php</p> <p>There are lots of great activities on the BBC Bring the Noise website for children of all ages:</p> <p>https://www.bbc.co.uk/teach/bring-the-noise</p>
Dance	<p>Emanuela will be doing a weekly dance lesson for the children at Walnut Tree Walk. This video lesson can be accessed at any time. The link will be sent out when it is ready each week.</p>
Yoga	<p>We will continue to provide an online yoga lesson from Kamlyn each week. This is a session exclusively for children at Walnut Tree Walk and is free for you. This lesson can be accessed at any time. The link will be sent out when it is ready each week.</p>

PE

Joe Wicks is providing free PE lessons live at 9am each day via his YouTube channel. This is a great way to start the day and is suitable for all ages. Either google 'Joe Wicks PE lesson' or go to the link below:

<https://www.thebodycoach.com/blog/pe-with-joe-1254.html>
