

## Year 6 Home Learning week beginning 27/04/2020

Please see below the tasks we would like your child to work on this week. Please do what you can but do not worry if you cannot complete all the work. Just do the amount of work that is right for your individual child and do not worry if it does not all get completed. We understand that each and every one of you is facing different circumstances and challenges.

If you have any problems, please remember that you can email me at [scodling@wtwschool.co.uk](mailto:scodling@wtwschool.co.uk) during school hours. I will also be calling once a week so please feel free to use that call to ask for any help with any of the tasks, or to share what you have been doing.

Please note that any links to internet sites and YouTube videos need to be supervised by an adult, and they may contain adverts. You do not need to pay for any of the sites we are suggesting.

If you need any additional pencils, paper or other stationery, please contact the school and we can arrange that for you to collect.

I understand that a lot of this will be revision children, but I have selected topics that I think the children could use a little more work on.

The writing tasks will be based on this video on Literacy Shed website:

<https://www.literacyshed.com/teeth.html/>

<b>Task 1</b>	Write a dialogue between the two men. What do you think they'd say? How do you think they'd speak to each other? Use inverted commas as accurately as you can.
<b>Task 2</b>	Write the story from the perspective of each man. How do you think they would have seen the event differently?
<b>Task 3</b>	Write an alternative ending - perhaps one of them catches another fish or one fisherman may fall overboard in the excitement.

## Grammar

### Learn:

This week we will be focusing on progressive tenses

Present progressive for what's happening right now;

*E.g. I am wrestling a microwave.*

Past progressive for long past processes;

*E.g. I was talking to my friend on MSN Messenger.*

Have a look at the resources on the link about animal classification.

<https://www.bbc.co.uk/bitesize/clips/zhshfg8/>

And then have a go at answering these questions...

Mammals have a lot in common but there are differences between each species. See if you can sort some different mammals into groups according to their characteristics then answer these questions.

What features do all mammals have in common?

Name five things that can be different between species of mammal:

How could you explain the differences between a wolf and a fox?

How could you explain the differences between a moose and a deer?

What do you think is the biggest difference between a monkey and an orangutan?

Can you think of two other mammals that are similar to jaguars and tigers?

Can you think of two other mammals that are similar to brown bears and pandas?

Can you think of two other mammals that are similar to zebras and horses?
