

Year 6 Home Learning week beginning 15/06/2020

Please see below the tasks we would like your child to work on this week. Please do what you can but do not worry if you cannot complete all the work. Just do the amount of work that is right for your individual child and do not worry if it does not all get completed. We understand that each and every one of you is facing different circumstances and challenges.

If you have any problems, please remember that you can email me at scodling@wtwschool.co.uk during school hours. I will also be calling once a week so please feel free to use that call to ask for any help with any of the tasks, or to share what you have been doing.

Please note that any links to internet sites and YouTube videos need to be supervised by an adult, and they may contain adverts. You do not need to pay for any of the sites we are suggesting.

If you need any additional pencils, paper or other stationery, please contact the school and we can arrange that for you to collect.

Maths	
Information for Parents: I understand that a lot of this will be revision children, but I have selected topics that I think the children could use a little more work on. So, this week we will be focusing on shape area and volume	
Mymaths.co.uk tasks This is a suggested break down of a lesson per day but it is up to you when they are completed in the week.	
Monday	Today the focus will be an overview of volume and capacity Children are to complete section [Y5] Volume and capacity Your child may find it helpful to watch the following video on BBC Bitesize https://www.bbc.co.uk/bitesize/topics/zjbg87h/articles/zcrxtyc/
Tuesday	Today the focus will be on Volume of cuboids Children are to complete section [Y6] Volume of cuboids

Wednesday	<p>Today the focus will be on the area of parallelograms</p> <p>Children are to complete section [Y6] Area of parallelogram</p> <p>Your child may find it helpful to watch the following video on BBC Bitesize https://www.bbc.co.uk/bitesize/topics/zjbg87h/articles/zwqt6fr/ </p>
Thursday	<p>Today the focus will be on the area of triangles</p> <p>Children are to complete section Area of a triangle</p> <p>Your child may find it helpful to watch the following video on BBC Bitesize https://www.bbc.co.uk/bitesize/topics/zjbg87h/articles/zsqxfcw/ </p>
Friday	<p>Today the focus will be on Conversion graphs</p> <p>Children are to complete section [Y6] Conversion graphs</p>
<p>Extra Optional Work:</p> <p>If you would like to do some optional additional work linked to this, please try the following IXL tasks:</p> <p>CC4, CC5, CC6, CC10, CC11</p>	

Reading
<p>Please read daily a book of your choice for at least 30 minutes.</p> <p>Alternatively, you can read a free copy of the children's newspaper, First News, found at: https://schools.firstnews.co.uk/wp-content/uploads/sites/3/2020/03/Lores_718-1.pdf </p>

Writing

This week we are continuing our work on the book *Holes*. If you have not picked up your copy of the book from school yet, please call the school to arrange this.

Task 1

Research facts about the yellow spotted lizard and write a non-chronological report using passive tense:

E.g. The yellow spotted lizard is found North American deserts.

Use these sub-headings to help you:

- Habitat
- Appearance
- Diet
- Life cycle
- Did you know...??

Task 2

Madame Zeroni is a mysterious woman and she has had an interesting life. She knows many stories -

Your task is to write one of her amazing stories:

- A story of her curses?
- A story of her fortune telling?
- A story about how she lost her foot?
- A tale of gold and fortunes?

Task 3

Write a character description of The Warden. Use evidence from the text to show how Louis Sachar portrays her to be powerful.

Grammar

Learn:

This week we will be focusing on prepositions

E.g. The cat was in the box.

and prepositional phrases.

E.g. The house is around the corner.

Watch:

Please go to the following sites/ links to see a further explanation:

<https://www.bbc.co.uk/bitesize/topics/zwwp8mn/articles/zw38srd/>

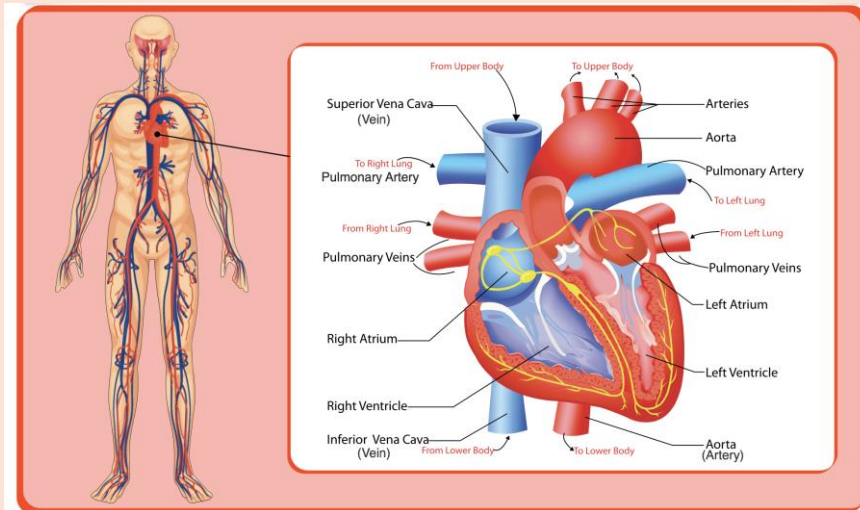

Do:

F.1 and F.3 on IXL Year 6 English

Science

Watch these videos on BBC Bitesize and write a description of how the circulatory system works. Include diagrams and labels.

Creative Activities and PE

If you would like to, why not try one or more of the following activities:

Drama	<p>London Bubble Theatre Company have produced some fun drama games and activities that can be done in the home. Walnut Tree Walk children love to use their imagination so this could be a great resource. Either google 'London bubble speech bubble' or go to the following link:</p> <p>https://www.londonbubble.org.uk/wp-content/uploads/2018/12/Drama-games-pack.pdf</p>
Art	<p>Create perspective drawing using your shading skills:</p> <p>https://www.coolitart.com/wp-content/uploads/2019/10/Perspective.pdf/</p>
Music	<p>Why not try and make some instruments using items that you would normally put in the recycling. You can watch this video for inspiration:</p> <p>https://www.youtube.com/watch?v=ck8HlhHPLfQ</p>

	<p>If you have borrowed an instrument from the school library, you should have received some music sheets to help you learn at home. If you need more, please contact Chris cbrown@wtwschool.co.uk</p> <p>You could have a go at composing your own music. Go to the following link: https://www.classicsforkids.com/games/compose_your_own_music.php</p> <p>There are lots of great activities on the BBC Bring the Noise website for children of all ages: https://www.bbc.co.uk/teach/bring-the-noise</p>
Dance	<p>Emanuela will be doing a weekly dance lesson for the children at Walnut Tree Walk. This video lesson can be accessed at any time. The link will be sent out when it is ready each week.</p>
PE	<p>Joe Wicks is providing free PE lessons live at 9am each day via his YouTube channel. This is a great way to start the day and is suitable for all ages. Either google 'Joe Wicks PE lesson' or go to the link below:</p> <p>https://www.thebodycoach.com/blog/pe-with-joe-1254.html</p>
