

### Topic: Games/Minibeasts

Please see below the tasks we would like your child to work on this week. If you have any problems, please remember that you can email me on [connorbrown@wtwschool.co.uk](mailto:connorbrown@wtwschool.co.uk) or [cbrown@wtwschool.co.uk](mailto:cbrown@wtwschool.co.uk) during school hours.

Please note that any links to internet sites and YouTube videos need to be supervised by an adult, and they may contain adverts. You do not need to pay for any of the sites we are suggesting.

If you need any additional pencils, paper or other stationery, please contact the school and we can arrange that for you to collect.

#### Weekly Updates

Enjoy some ballet with the three little pigs – <https://www.bbc.co.uk/iplayer/episode/b04lmc85/cbeebies-presents-three-little-pigs-a-cbeebies-ballet>

You can join in with some simple ballet moves on cbeebies this week too!  
<https://www.bbc.co.uk/cbeebies/watch/simple-ballet-moves-to-try-at-home>

If you create an account with Oxford Owl, they have lots of reading books that are age appropriate for children. You can filter the selection by age or year group. This is a great resource if you run out of books at home! [https://www.oxfordowl.co.uk/library-page?view=image&query=&type=book&age\\_group=Age+4-5&level=oxford+level+3&level\\_select=oxford+level+3&book\\_type=&series=#](https://www.oxfordowl.co.uk/library-page?view=image&query=&type=book&age_group=Age+4-5&level=oxford+level+3&level_select=oxford+level+3&book_type=&series=#)

Audible have lots of children's books that are available to listen to for free – being able to follow a story without pictures or props is a really good developmental step for your child – <https://stories.audible.com/start-listen>

Research it...	Make it...	Play it...
<p>What are minibeasts? Minibeasts are small creatures like 'worms, snails, insects and spiders'!</p> <p>When you are out for a walk see what minibeasts you can find. Can you take a photo or draw a picture of all the different types of minibeasts you see?</p> <p>Minibeasts like to hide so try looking under leafs and rocks!</p>	<p>Can you make your own Incy Wincy Spider? Think about different materials you might like to use. You might want to make it using your hands and paint, you may want to get a cardboard tube and stick on some legs!</p> <p>Some examples are shown below.</p> 	<p>Using the challenge cards you have written can you challenge an adult at home to move like each minibeast?</p> <p>To the adults – maybe you could write some and see if your child can identify the movement and then demonstrate it to you!</p>
Read it...	Write it...	Learn it...
<p>This week we are going to look at a few more of our everyday words. Can you practice writing these ones? <i>Little, just, mum, saw, back.</i></p> <p>You could come up with a sentence for each word – try and make it exciting e.g. <i>Mum saw an alien in the garden.</i></p>	<p>Think about how different minibeasts move. Can you write some challenge cards to see if an adult at home can move like that minibeast? You will need to think about how different minibeasts move. You might want to use some of these words <i>flap, slither, crawl, wiggle.</i></p> <p><i>'Can you slither on the floor like a snail?'</i></p>	<p>Each week we will be creating a maths PowerPoint that will support your child's learning. These will be emailed each week. There are 5 days of lessons to complete. It is important to read through the slides to familiarise yourself with the learning before you work through it with your child.</p>
