

Day 2: What do you remember?

Last Week...

What does double
mean?

LO: To identify when something has been doubled

Can you shout these words out?

double

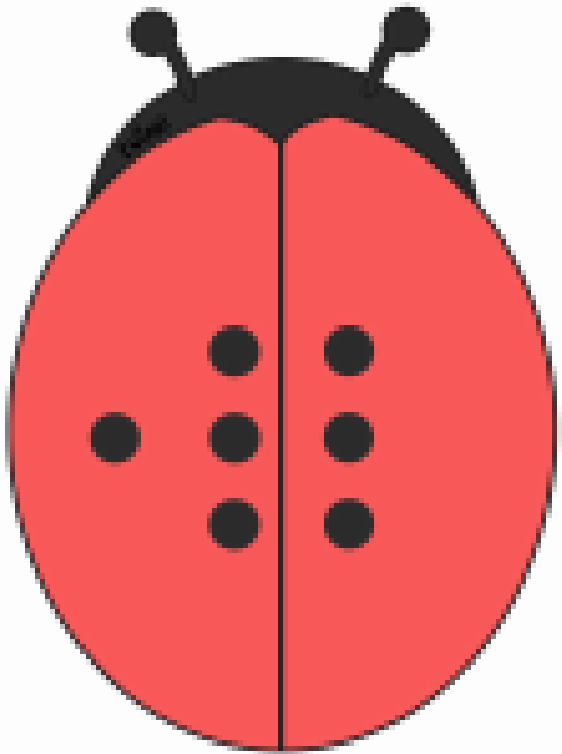

more

bigger

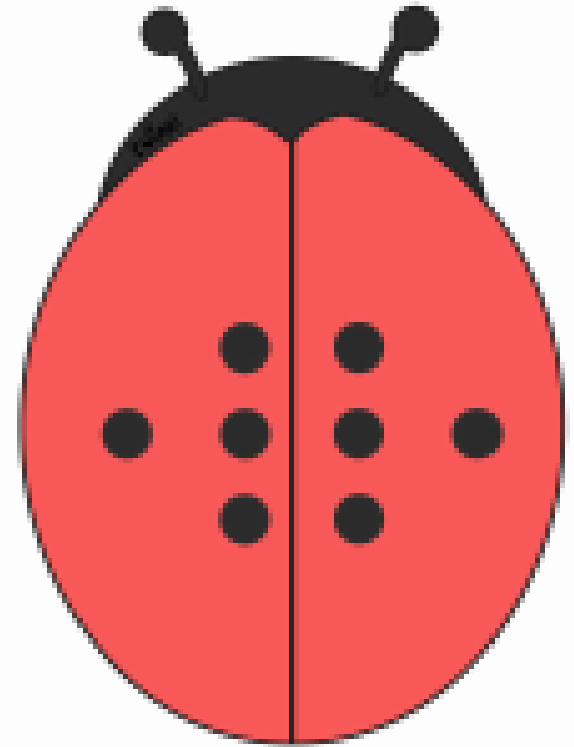

twice

total

Look at these two pictures. One is showing a double and one isn't.

This ladybird
has 2 lots of
the same
number of
spots

Can you identify the double?

There are 2
lots of 6!

Which of these pairs of
dice is showing a double?

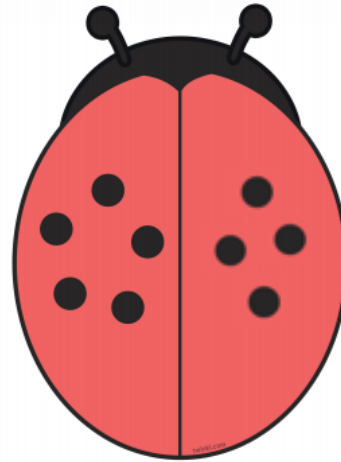

Remember

Doubling means
twice as much
or **2 lots of**. This
then means the
number you
have gets
bigger!

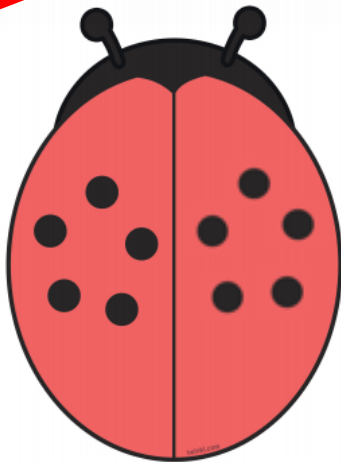

Can you identify the double?

There are 2
lots of 5!

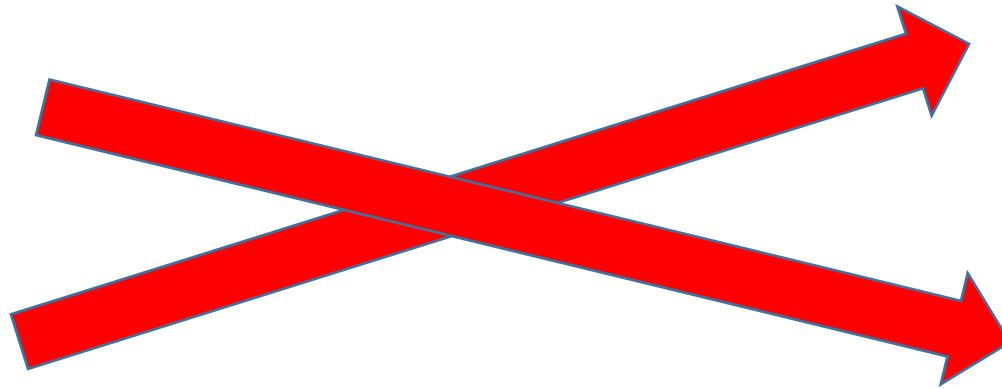

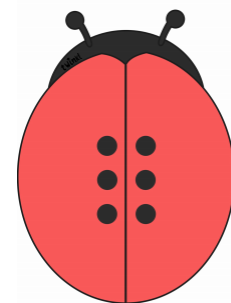

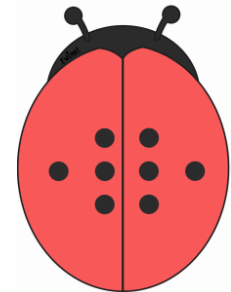

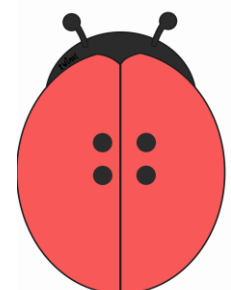

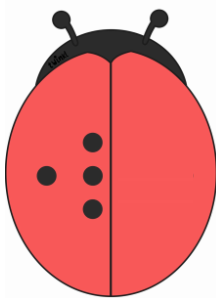

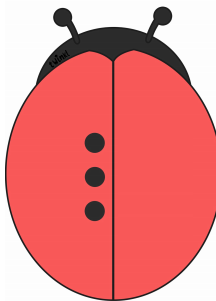

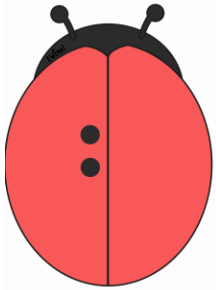

Which of these ladybirds
showing a double?

Remember

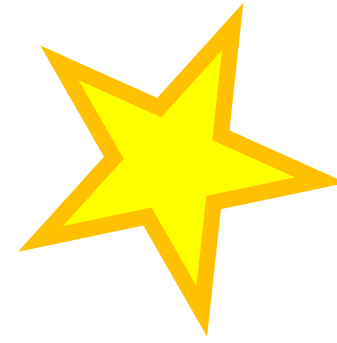

Doubling means
twice as much
or **2 lots of**. This
then means the
number you
have gets
bigger!

Can you match these ladybirds to their double?

Challenge

Ask a friend to hold up any number of fingers. Can you double the number of fingers?
