

Day : What do you remember?

Yesterday... Is this box full,
half full or empty?

LO: To order capacity from full to empty

- I can identify which container has the most and which has the least

Important words to use:
Can you say them in a squeaky voice?

least

full

empty

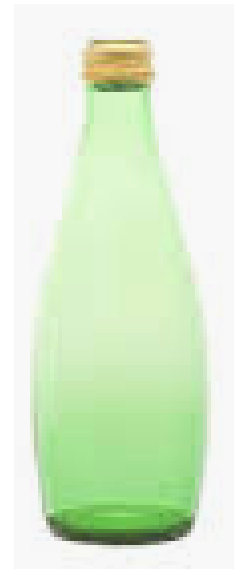

most

Half full

Have a look at these bottles. They show us how they can hold different capacities.

full

empty

Have a look at these different containers.
Which ones are empty?

Have a look at these different containers.
Which ones are half full?

Have a look at these different containers.
Which ones are full?

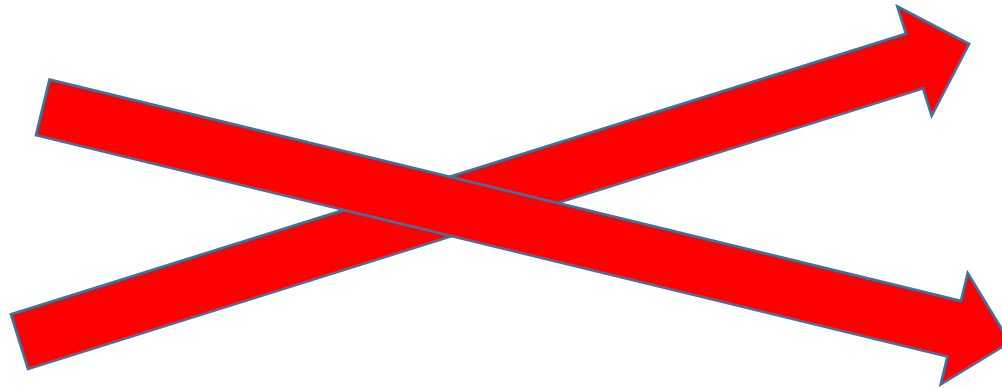

Can you match these words to their capacity?

empty

Half full

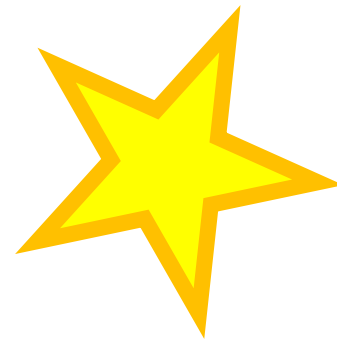

Full

Challenge

Can you find a container and
fill it so it is **full**? What do
you need to do to make the
container **half full**?
