# Repeating patterns

Repeating means *something which happens again and again* Look at these repeating patterns

Patterns are  
often  
*repeating*

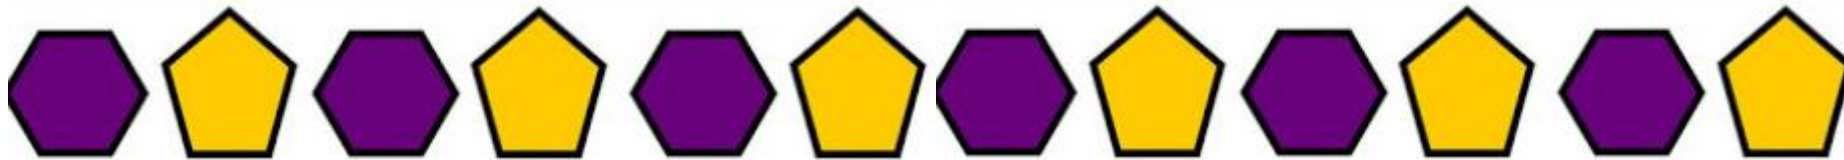

What is the rule for a repeating pattern?

See if you can predict what will come next in these patterns.

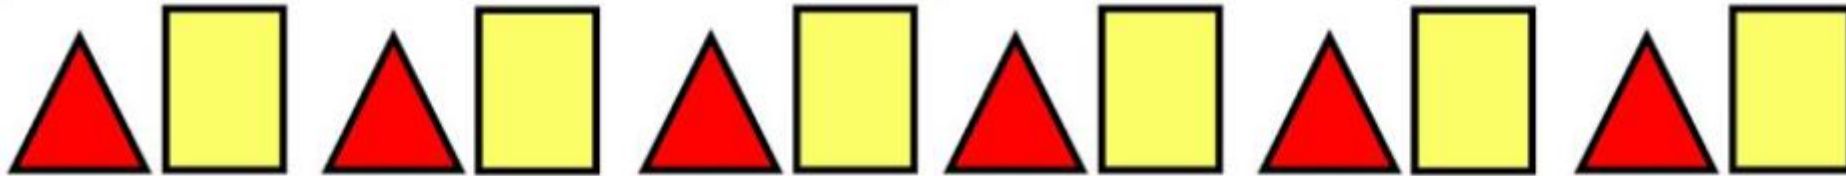

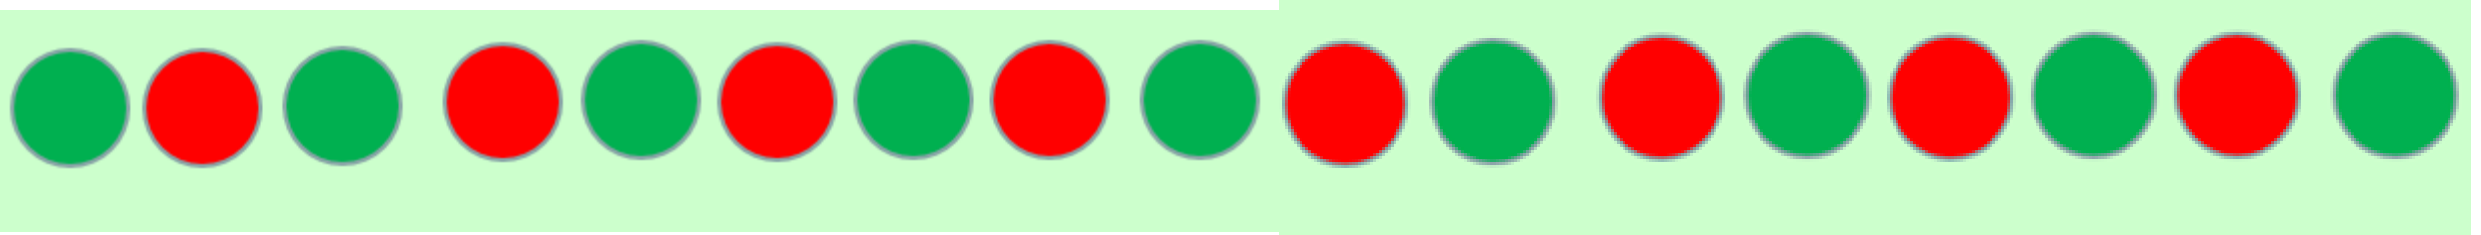

Sequence  
means – *in a  
particular  
order*

Rule – to repeat the  
sequence of colour!

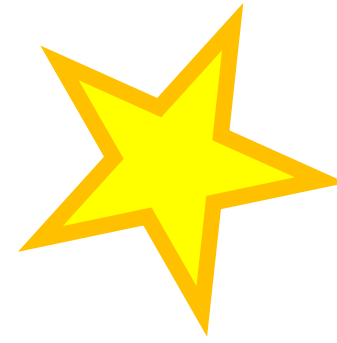

Can you continue the *sequence* of these *repeating* patterns?

Think about the  
*rule* we have  
been looking at!

Challenge

Can you carry on this repeating  
pattern?
