I go to bed at 8 o'clock

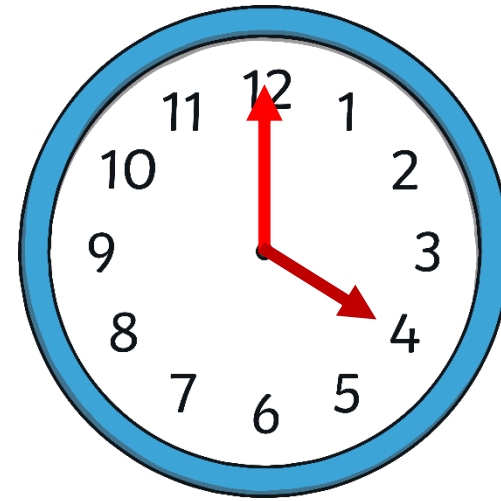

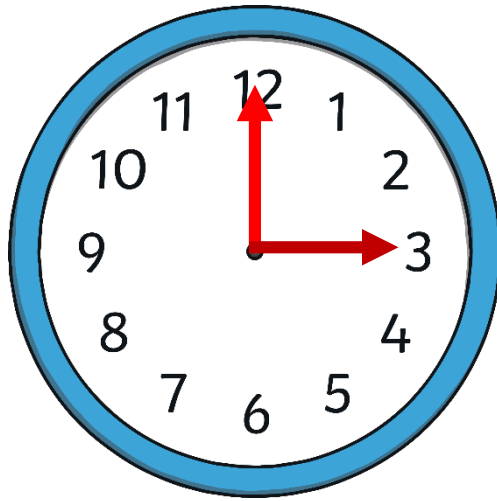

I go to bed at 10 o'clock

School normally starts at 9 o'clock. Which clock tells us school is about to start?

Chris and Connor are going to the park at 4 o'clock.  
Chris thinks this is when the little hand is pointing at 3.  
Connor thinks its when the little hand is pointing at 4.  
Who is right?

## Challenge

Using your whiteboard see if you can draw a clock with numbers 1-12 all the way. Practise drawing different o'clock times. Hint - *If you do it correctly you will only have to move one hand!*

See if you can write down anything you have done or will do today at on o'clock time!
