

Year 6 Home Learning week beginning 22/06/2020

Please see below the tasks we would like your child to work on this week. Please do what you can but do not worry if you cannot complete all the work. Just do the amount of work that is right for your individual child and do not worry if it does not all get completed. We understand that each and every one of you is facing different circumstances and challenges.

If you have any problems, please remember that you can email me at scodling@wtwschool.co.uk during school hours. I will also be calling once a week so please feel free to use that call to ask for any help with any of the tasks, or to share what you have been doing.

Please note that any links to internet sites and YouTube videos need to be supervised by an adult, and they may contain adverts. You do not need to pay for any of the sites we are suggesting.

If you need any additional pencils, paper or other stationery, please contact the school and we can arrange that for you to collect.

Do:

A.8 and A.9 on IXL Year 6 English

Science

Watch this video about how the heart works when we exercise and then plan and carry out your own investigation using the sheet below.

<https://www.bbc.co.uk/bitesize/clips/z9dg9j6/>

Today we will be doing some exercise to see what happens to our hearts when we exercise.

What kind of exercise will you be doing?

How long will you do your exercise for?

What is your resting pulse rate?

What do you predict your pulse rate will be after exercise?

How many minutes do you think it will take for your pulse to return to normal?

Now complete your exercise and take your pulse rate every minute until it returns to your resting pulse rate (or very near it). Use the space below to record your results:

Results:

Were your predictions correct? Why? Why not?

Creative Activities and PE

If you would like to, why not try one or more of the following activities:

Drama	<p>London Bubble Theatre Company have produced some fun drama games and activities that can be done in the home. Walnut Tree Walk children love to use their imagination so this could be a great resource. Either google 'London bubble speech bubble' or go to the following link:</p> <p>https://www.londonbubble.org.uk/wp-content/uploads/2018/12/Drama-games-pack.pdf</p>
Art	<p>Create your own illustrated initial.</p> <p>https://www.coolitart.com/wp-content/uploads/2019/10/Illustrated-Initials.pdf/</p>
Music	<p>Why not try and make some instruments using items that you would normally put in the recycling. You can watch this video for inspiration:</p> <p>https://www.youtube.com/watch?v=ck8HlhHPLfQ</p> <p>If you have borrowed an instrument from the school library, you should have received some music sheets to help you learn at home. If you need more, please contact Chris cbrown@wtwschool.co.uk</p> <p>You could have a go at composing your own music. Go to the following link:</p> <p>https://www.classicsforkids.com/games/compose_your_own_music.php</p> <p>There are lots of great activities on the BBC Bring the Noise website for children of all ages:</p> <p>https://www.bbc.co.uk/teach/bring-the-noise</p>
Dance	<p>Emanuela will be doing a weekly dance lesson for the children at Walnut Tree Walk. This video lesson can be accessed at any time. The link will be sent out when it is ready each week.</p>
PE	<p>Joe Wicks is providing free PE lessons live at 9am each day via his YouTube channel. This is a great way to start the day and is suitable for all ages. Either google 'Joe Wicks PE lesson' or go to the link below:</p> <p>https://www.thebodycoach.com/blog/pe-with-joe-1254.html</p>
