

Year 2 Autumn Newsletter

Dear Parents/Carers,

Welcome back! It has been a lovely return to school. The children have all made a brilliant start and we have already had lots of fun getting to know each other.

Below are a few reminders and details of what will be happening this term and further notices will be sent home via email.

Our Topic

Our topic this half term is Weather. This will give us a chance to explore the changeable weather we have here and different climates around the world. We will include elements of the science and geography curriculum through this topic as well as use the weather as a stimulus for writing stories, poems and descriptions.

After half term our topic will be Castles. This will include lots of the history curriculum and elements of design and technology. It will also be a great starting point for reading and writing fantasy and adventure stories.

P.E. Sessions

Our P.E. sessions are on Monday and Tuesday each week.

Children need to wear PE kit each Monday and Tuesday which is grey/ black/ blue bottoms, a green t-shirt and suitable footwear.

Reading At Home.

From next week your child will bring home two 'home reader' books they have selected on **Friday**. Please can all books be returned on **Wednesday** so that the books are ready to go back out on Friday.

Unfortunately we cannot use reading record books any longer but your child will be read with individually each week and any concerns or comments you have can be emailed to me if needed.

On the weekly newsletter there will be a few spellings which the children can also practice throughout the week at home to support their learning.

If you need to contact me regarding your child's education or wellbeing, please email me at dallen@wtwschool.co.uk and I will try to respond as quickly as I can.

Any urgent messages that need to be dealt with on the same day, must be telephoned through to the school office as I may not access my emails during the school day.

Many thanks,
Deborah, Danielle and Divine
